ABOUT ALWASEET POOLS

Alwaseet pools is a Kuwait based company specialised in the swimming pool and spa industry. It was founded with the objective of simply to be the best and most reliable source for swimming pool and spa construction, equipment and adornments.

Incorporated in 1982, Alwaseet Pools has one of the longest and most dependable track records in the pool and spa industry. Not many companies can claim to have built and maintained more than 37,000 pools in Kuwait.

As a member of The International Swimming Pool and Spa Institute along with years of professional experience we thrive to ensure quality. As we believe that the value to the consumer is the immeasurable confidence that our clients have in not only the construction process but also the ongoing future relationship that exists as long as they own their pool.

Alwaseet Pool's success can also be linked to the construction plans and options provided to commercial and private clients. Including 25 years of warranty, simplified payment plans and continues follow up to ensure customer satisfaction and to achieve maximum quality.
